About The Institution of Engineers (India)

The Institution of Engineers (India) is the largest multi-disciplinary professional body of engineers with 15 engineering disciplines and over 2,00,000 Corporate Members in India and abroad. The Institution was established in 1920 and was incorporated by Royal Charter in 1935. In order to provide special attention to some of the important national issues, in addition to engineering disciplines, it has established special vehicles of focus. Engineering Staff College of India (ESCI), National Design & Research Forum (NDRF), Rural Development Forum (RDF), Safety & Quality Forum (SQF), Sustainable Development Forum (SDF), Water Management Forum (WMF) and National Skill Development Forum (NSDF) are such focused initiatives. The Institution is a widely admired name in international arena in the field of engineering and technology being a member of World Federation of Engineering Organizations (WFEO), Federation of Engineering Institutions of South & Central Asia (FEISCA), Federation of Engineering Institutions of Asia and Pacific (FEIAP) and International Engineers Alliance (IEA). With its large international linkages and a network of 123 Centres in India and 6 Overseas Chapters, the Institution has built up wide reach and large infrastructure to meet its objectives of promoting engineering in all aspects. IEI is authorized to operate Indian Section of the International Professional Engineers (IntPE) Register under International Professional Engineers Agreement (IPEA). All eligible Indian engineers can now apply for International Professional Engineers (IntPE) Certification through IEI only.

Preamble

The IEI Industry Excellence Award has been instituted to recognize industry leaders for their innovation, excellence in engineering operations and services and their capacity to sustain excellence in a competitive manner. The bench-marks created by the industries in India have included productivity, quality, safety and performance assurance which would give India the rightful place in the global markets.

Since its inception in 2008, industries like Engineers India Limited, SAIL, Indian Oil Corporation Ltd., Tata Motors Ltd., Electronic Corporation of India Limited, STUP Consultancies Pvt. Ltd., Kirloskar Brothers Ltd., Larsen & Toubro Ltd., Bharat Electronics Ltd., CESC Ltd., Neyveli Lignite Corporation Ltd, Bharat Heavy Electricals Ltd., Tata Steels Ltd., NTPC, HAL, Bharat Forge Limited, BrahMos Aerospace Private Limited, Rajasthan Electronics & Instruments Ltd, NBCC (India) Limited, MECON Limited and M N Dastur & Company (P) Ltd., etc. had been the rightful winners of the above Award. Further, the 'Certificate of Appreciation' / 'Certificate of Commendation' had been presented to organisations like J K Tyre & Industries Ltd, Hindustan Zinc Limited, Power Grid Corporation of India Ltd. and Deepak Fertilizers & Petrochemicals Corporation Ltd, Precast India Infrastructures Private Limited etc.

What do you gain by applying for the Award ?

The proforma, having self-assessment procedure, will give the applicant organisation an opportunity to identify its strength & weakness and its standing through the process of applying for this Award. The proforma is based on international standards and is prepared by experts for assessment of performance of the applicant industries.

Modalities for the Award

The Award is 'application based' and every engineering industry working in the country is welcome to participate. Awards will be given to industry/ industries selected on the basis of assessment report of the Committee and the recommendations of the Jury which is the second level and the final decision making body.

What will Jury look for?

The Jury for the selection will look for the procedure being followed by the industry and their bench marking. The Jury will also look into innovative approaches that the industry has been involved in and the improvement in performance of the industry. The Jury will also be interested in finding out the thrust of the corporate governance and corporate social responsibility strategies and other innovative approaches, improving competitiveness for the greater benefit of the society and the country.

Assessment Process

The assessment of the applications will be carried out at two levels as follows:

- The first level of assessment would be carried out based on the weightage given to different items in the application proforma. The shortlisted applications will then be selected and presented to the Jury.
- The second and final level assessment would be carried out by the Jury Board.

The decision of the Jury would be communicated to the selected Award winners. The decision of the Jury shall be final and binding.

Application Process

The application has to be sent as per the enclosed format, which can also be downloaded from the website of IEI (www.ieindia.org), along with the requisite application fees. The application is to be submitted in 3 hard copies along with a soft copy in a CD/Pendrive addressed to
